## Topic checklist for selection of case study sites

Date of interview / /	
A. RESPONDENT INFORMATION	
Last nameFirst name	
Position in village	
Address	
Village	
District	
Province	
B. LIVELIHOODS ACTIVITIES AND ROLE OF GROUPER CULTUR	Е
1. How many households are there in the village?	
2. How many of these households raise grouper?	
3. When did the first person in the village begin to raise grouper?	year/ years ago

4. Why did people begin to raise grouper in the village?

5. What other activities do the villagers do to raise income? Please tick all that apply.				
Fishing	Process fish			
Factory work	Livestock			
Labour	Rubber plantation			
Shop trading	Neepa plantation			
Food trading	Produce cigarettes			
Fish trading	Grow food crops			
Make food products	Restaurant			
Fish culture	Shrimp culture			
Culture – other				
Other				

6. Which are the five most important activities? (Rank 5 = most important) Please indicate on list above.

7. What is the average income of villagers? Expre	ess as proportion of total,	or indicator i.e most, few.
< 5000 B per month		
5000-10000 B per month		
10000-20000 B per month		
20000-30000B per month		
30000-50000 B per month		
> 50000B per month		
8. In what type of culture system do villagers rais		units
(Give approximate number of units in village)		units
	Net pen	units
9. If ponds are used, what is their origin?		
Shrimp farm		
Mud crab		
Grouper		
Other		
10. Where are culture systems located?		
Lagoon		
Klong		
Open coast		
Inland (ponds)		
11. What is the respondents opinion of the water	quality of the culture envi	ironment ?
Good		
Bad		
ОК		
Don't know		
Variable		
12. What is the average number of units per house	ehold?ca	agesponds
13. What is the largest number of units owned by	one household?	
14. Has the number of households raising grouper	increased, decreased, sh	own no change since people
began to raise grouper in the village?		
Increase		
Decrease		

No Change

15. When was the highest level of grouper production in the village?	cages/farms
16. If production has decreased, why has this happened?	
1	
2	
3	

17. How important is grouper raising to the community? Agree or disagree with the following statements.

	AGREE	DISAGREE
a. Raising grouper is important for the whole community	А	D
b. Most people in the community are able to participate in raising grou	per A	D
c. Most people in the community cannot participate in grouper culture	А	D
d. Raising grouper is an activity that only the wealthy people in the vil	lage can do A	D
e. Poor people cannot raise grouper	А	D
f. Raising grouper provides a daily income	А	D
g. Raising grouper provides a form of saving	А	D
h. Other activities are more important to the community than raising gr	rouper A	D

## C. CULTURE PRACTICE

18. Which species do people raise in the village? Please indicate relative proportions of each species raised (%).

1\_\_\_\_\_2

3

19. Which species did the villagers raise when fish culture began?

20. What size of fish are stocked?\_\_\_\_\_

21. What size are fish harvested?\_\_\_\_\_

22. Where do farmers obtain feed for their fish? (eg in the village, another province)

1\_\_\_\_\_

2\_\_\_\_\_

3\_\_\_\_\_

23. Price of feed (B/kg) Min \_\_\_\_\_ Max\_\_\_\_

24. Quantity of required per feed day (kg)

25. Where do farmers obtain grouper seed for cultur	:e?
---	-----

1					

- 2\_\_\_\_\_
- 3\_\_\_\_\_

26	Which	. +la a	maast			of fur	.9
20.	which is	s the	most	common	source	OI ITY	1

27.	Cost o	of frv to	buv	(Indicate	whether	from	fishermen	or middleman)	)
	00000		oug	(marcute	wine the	110111	moment	or maareman	/

Species		
---------	--	--

- 1 inch \_\_\_\_\_B
- 4-5 inches \_\_\_\_\_B
- 6-7 inches \_\_\_\_\_B 8-9 inches \_\_\_\_\_B
- 8-9 inches \_\_\_\_\_B kilo fish \_\_\_\_\_B
- \_\_\_\_\_

28.	Value	of fish	at sale	e
				-

Species	B/kg	per Fish
Species	B/kg	per Fish
Species	B/kg	per Fish

## 29. Who do farmers sell their fish to?

30. What are the main problems with grouper culture? (Most important first)

1	
2	
3	
4	
5_	

31. What involvement does the DoF have in fish culture in the village? Please tick all that apply.

Give advice

Take water/fish samples

Provide materials for system construction

Provide fry

Loan

No assistance

32. Have villagers received loans to help them to invest in grouper culture?

33. What are the main constraints to participation in grouper culture in the village?

1	
2	
3	

4	
5	

## D. FISHING ACTIVITY

34. Do people in the village fish for fry? Y/N

35. Fry availability	Grouper fry are plentiful	Y/N
	We can catch grouper fry	Y/N
	Grouper fry are hard to find	Y/N

36. Status of grouper fry stocks (Please tick one)Grouper fry have decreased over the yearsGrouper fry have increased over the yearsThere has been no change in the number of grouper fry

37. How many people in the village fish for grouper fry?

Most people in the village fish for fry

Some people in the village fish for fry

Few people in the village fish for fry

No one in the village fishes for fry

38. People who fish for fry do so:Primarily to stock their own cagesTo sell to people in the villageTo sell to middlemen

39. Grouper fry fisher livelihoods

Fry fishing is the most important source of income for many fishers

Fry fishing is a supplementary income for most fishers

Fry fishing is not an important source of income for most fishers

40. Type of fishing gears used for all target species by villagers (please list most common first )

- 1\_\_\_\_\_
- 2\_\_\_\_\_
- 3 \_\_\_\_\_
- 4 \_\_\_\_\_

41. Do any of these gears catch live grouper\_\_\_\_\_

(size, species?)	Dead grouper			
	trash fish			
42. What is the most common species of grouper caught?				
43. What is the most common size of grouper caught?
